Cargo pumps: Viking

Max pump rate (HFO): 360 t/hr

Max pump rate (Diesel): 250 t/hr

Built: 1958

Builder: Poole & Steele Pty Ltd

This barge was purchased from Shell PNG Pty Ltd in 1996. The barge had been operating up to that time in Port Moresby under the named Tavor. The barge was towed to Melbourne early in 1997 and then underwent a 12 month refurbishment.

Bunkering commenced in April 1998 for The Shell Company of Australia Limited in the Port of Geelong. Bunkering continued until mid-2007 when Shell shut down its Geelong bunkering operation.

Bunker IV has been laid up at Korevaar's Melbourne berths at Ann Street Pier, Williamstown since that time.
